Subject: RE: Anaconda/CFAC
Attachments: Index Anaconda Aluminum Co. Columbia Falls.xlsx

Mark – Please find attached an index of Uncontrolled records for the CFAC site. The SEMS system creates the index as an Excel record.

The RTI records sent this morning and the narrative letters have all been placed into SEMS so are part of the index.

Thanks,
Lori

Hi Lori,
Just a friendly reminder to please send me the site file index so we can move ahead with the FOIA response.
Thank you,
Mark
